# jove

Embedding JoVE Videos Into Bb Blackboard

1. Go to the JoVE video page displaying your chosen video
2. Copy the full URL address
3. Open your Blackboard Course Page
4. Select Course information from the left hand list
5. Click on Course content at top left
6. Below the Build Content tab you will see Web Link

7. Paste in the copied JoVE URL and name the link

8. You will also have the opportunity to provide text and describe the video content
9. Click Submit.

10. Return to course page and view Embedded video.
